ADVANTAGES

- ▶ Easy performance reviews:
 - ▶ For PACS administrators to timely detect any technical issues
 - ▶ For financial or radiology directors to evaluate productivity and service quality
- ▶ Data export to CSV files for the creation of advanced statistics using Microsoft Excel
- ▶ User management to give access to selected users
- ▶ Individual filter preferences can be saved as default by each user

LIVE MONITOR

...shows all incoming studies of the last 30 minutes.

Each study includes a link to the respective study in the PACS, so the PACS administrator can make any required organizational changes, such as forwarding, deleting or moving the study.
